# Sugarbakers Website Documentation

---

This document explains which photos are created using AI.

**Disclaimer:** This website is a fictional project created for portfolio purposes to showcase my UX and WordPress development skills. It is inspired by the TV show *Designing Women* and was made with love as a fan of the show. I do not own any rights to *Designing Women* or the images depicting its characters. This site was created with Creative Commons in mind and is not intended for commercial use.

## Home Page – No AI photos
